## Youth Exchange “Youth in Radio”

14th- 24th November – South Italy

### Host organization

**YouNet** is an innovative, professional, active, reliable and efficient no profit and non-governmental organisation. We are based in Italy in 3 regions (Emilia-Romagna, Sicilia, Puglia) and we got a broad experience on EU projects and funds (YiA, EfC, LLP,...).

We work as a network in the Italian territory (where we are working with other smaller NGO, local bodies, social communities, ...) and we got strong relationships with several NGOs all across Europe and beyond. We are as well accredited as a EVS sending, hosting and coordinating organisation.

Some of the areas where we are more active are: social inclusion, intercultural dialogue, integration and migrants, antidiscrimination, environment and sustainable development, art and culture. We work as well with local and national institutions in Italy and with democracy projects. More info [www.you-net.eu](http://www.you-net.eu)
